

THE MOST TRUSTED AND  
EFFECTIVE ODOR REMOVAL  
SERVICE TO AUTOMOTIVE DEALERS

Automotive dealers know that problem odors in pre-owned vehicles are SILENT DEAL KILLERS, and are a top reason for lost sales opportunities, forced price discounts, and return problems.

With BioSweep's Odor Removal Service, you can IMMEDIATELY turn hard-to-sell odor-damaged inventory into profits. With BioSweep You will now have the ability to sell those vehicles previously unsaleable due to PERSISTENT UNWANTED ODORS.

BioSweep's Service Providers are highly-trained experts in the science of eradicating even the most difficult and persistent odors across all vehicle sizes and types, in one application throughout the vehicle's interior. Our BioSweep process takes only a couple of hours, and the results are permanent.

Say Goodbye to ineffective & harmful quick fixes like ozone machines, cover-up bombs and perfumes.

**ELIMINATE ODORS THE RIGHT WAY -
